

ARE YOU SEARCHING FOR A JOB WITH INTERNATIONAL REQUIREMENTS?

Worried that you don't speak Dutch?

Proficiency in Dutch is sometimes required by our clients, but more often than not it is simply useful or even unnecessary. Just because you can not speak Dutch does not mean you can not get a good job. English is the main language used within international companies, so if you speak English then you are on your way to getting an excellent position.

Are you looking for an expert recruitment service?

Undutchables is your full-service provider for working in the Netherlands. All our offices have a team specialised in the recruitment of internationals. We can help you by making the perfect match for you with the right job and the right company.

Our clients include Sales and Finance departments of multinationals, European Shared Service Centres, international call centres and many more. You can therefore be assured that we have all the best possible contacts.

What should you do now?

Please register yourself on our website and you are on your way. You can also apply directly to one of the vacancies posted on our website. It's that easy!

As soon as suitable job opportunities arise, we will invite you for an extensive interview. *Please be reassured that your information will be handled in the strictest confidence and your CV will not be sent to a client unless you have given prior permission.*
